

FCC:

Let us have our NO CALL LIST. We don't want those annoying calls. If we want to call a business that is our right, don't want them to contact us.. There are way to many scams out there. You Big agencies need to think of the little guy for once. Save our NO CALL LIST..and let other states have them as well. That's what the people of the state of WI wanted as we are all TIRED of scams and annoying calls. Stay out of it..
